A SELECTED FUNCTIONAL AND COUNTRY BIBLIOGRAPHY

The Center for Area and Country Studies of the Foreign Service Institute prepares area bibliographies annually for use in its training programs. In addition to this selected bibliography, the Center publishes bibliographies on Sub-Saharan Africa, the Atlantic Community, Eastern Europe and the U.S.S.R., South Asia, Southeast Asia, East Asia, and Latin America.

Primary emphasis in the selection of items for this listing is given to materials in the Institute's library. Preference is accorded to recently published materials in order to highlight the most up-to-date studies and to ensure a balanced presentation of differing viewpoints on an issue. The inclusion or exclusion of an item is in no way to be construed as reflecting the views of the Center.
